

2022-2023 Youth Leadership Baldwin Application Packet

Information and Overview

Have you ever wondered where your water comes from? Have you visited the State Capitol in Atlanta? Have you ever wanted to see the inside of a fire station? Do you enjoy meeting and interacting with students from other schools as well as key, influential people in Milledgeville and Baldwin County? If you answered yes to these questions, then Youth Leadership Baldwin is for you!

This year, Youth Leadership Baldwin (YLB) is for high school juniors and seniors in Baldwin County who want to develop their leadership skills, broaden their network and make an impact in their community. Do you have leadership potential or have a desire to learn more about leadership and opportunities in Baldwin County? Then, apply to this program!

The purpose of YLB is to teach students leadership skills, increase their social and professional network and create community awareness, so they have a better understanding of the community resources, opportunities, issues and other factors influencing Baldwin County's future. Participation in this program will require your time, energy and commitment.
